If you withdraw from a program of instruction after the cancellation period, the institution shall remit a refund minus a \$150 registration fee within 45 days following your withdrawal. You are only responsible to pay for educational services rendered and unreturned equipment. The refund due will be calculated using the last date of attendance.

LASC shall have a refund policy for the return of unearned institutional charges if the student cancels an enrollment agreement or withdraws during a period of attendance. All refunds are prorated and will be calculated on a basis of days attended. The amount owed equals the daily charge for the program multiplied by the number of days student attended, or was scheduled to attend prior to withdrawal. No refunds will be given for students who have attended over 60% of days paid.

HYPOTHETICAL REFUND EXAMPLE

$$\text{Tuition Paid - Registration Fees} \times \frac{\text{Days of instruction paid for but not received}}{\text{Days of instruction paid for}} = \text{Actual Refund}$$

Cancellation, Withdrawal, and Refund Policy No Notice of Withdrawal

In the event that no notice of withdrawal (written or verbal) is provided, an institution must automatically administratively withdraw a student after s/he has been absent for a maximum of 30 consecutive calendar days (excluding any scheduled breaks of the institution) and complete a refund calculation, processing any refunds to or on behalf of the student.

No Shows

If an applicant never attends class (no-show) or cancels the enrollment prior to the class start date, all refunds due must be made within forty-five (45) calendar days of the first scheduled day of class or the date of cancellation, whichever is earlier.

For this reason, you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending LASC to determine if your certificate will transfer.
